Hi,

Riding has been great this year and I hope you are all able to take advantages of the rides that are going on during the week and on many weekends. Don't forget that helmets are required at all Springbike rides. This weekend is the breast cancer ride and always a great supported ride.

The next Springbike ride is the Annual Camp ride which will be June 24 & 25. We will be riding to the KOA at Lebanon and enjoying food on Saturday evening from Dowd's and then a great homemade breakfast on Sunday morning with pancakes and fresh blueberries. It's a supported ride with rest stops and sag. Don't miss out on the fun and be sure to bring your swimsuit. Be sure and sign up as soon as possible. You can call me, stop by Sunshine bike shop to pick up a form or go to the website and download a form.

Be sure and check out the Tube as well as the Springbike websites for a choice of rides coming up throughout the summer.

See ya on the road,  
Tim
